2. General Information

NRHA Germany uses info boards as well as the hygiene concept published alongside the show bill to inform competitors about general and specific rules of hygiene. By signing this document competitors declare to fully comply with these rules. Per competitor one additional accompanying person is permitted. Said persons are to be specified in the contractual agreement and cannot be changed after the fact. A substitution of a person during the show is not possible. Each competitor receives a bracelet, which grants access to the show grounds.
