22. Animal Welfare and Medications Testing

All horses entered in the NRHA Germany e.V. Breeders Futurity are subject to examination. Please refer to the NRHA European Region Animal Welfare and Medications policy for details on the Animal Welfare and Medications Rule.

The laws and guidelines of the German animal protection are valid with priority (no clipping, shaving/cutting and/or general shortening and/or removal of whiskers on the horses head, tail blocking). If the rule is ignored, a fine of 150,00 € will be charged, and the animal will also be excluded from the show and must leave the facility immediately (according to the decision from the Landratsamt Amberg-Sulzbach, Veterinäramt, 6/2023). Penalties arising in connection with violations of the Animal Welfare Act must be borne by the participant themselves.

23. NRHA Germany warm-up and show-ground rules

The German Animal Welfare Act in its current version regulates the keeping and use of animals in the broadest sense. The Federal Ministry of Food and Agriculture has published "Animal Welfare in Equestrian Sports - Guidelines on the Handling and Use of Horses from the Animal Welfare Point of View" and thus made animal welfare regulations in equestrian sports binding with the force of law. These guidelines therefore apply without restriction to all NHRA Germany Shows.

This includes, but is not limited to:

- Too many repetitions of the same lesson; e.g. horses must not be turned at high speed an unreasonable number of times in succession.
- Horses must not be inappropriately close to the fence/boundary after completing a sliding stop.
- Repeated and unreasonably strong, rough jerks on the reins are not allowed.
- Any signs of abuse, particularly on the side/flank area of the horse and on the horses mouth are considered an offense.
- Inappropriate, rough punishment of horses or too hard, rough riding is not allowed.
- Horses must not be tied up in the box for too long, especially without access to hay and water, or even in an unnatural position.
- Only the equipment permitted in the show arena is permitted on each warm-up arena. The use of a noseband is allowed. It must be made of flat leather or nylon and be at least 15mm wide.

General condition of the Horse:

- The horse must be in a state of health to be able to perform the performance/exercise desired by the rider. Lameness is intolerable.
- **Clipping: It is forbidden to shorten or remove whiskers on the horse's head. The hair in the auricles has a useful protective function and must not be removed either.**

The Steward/Showmanagement reserves the right to have any equipment removed which can be seen as contrary to animal welfare.

Sanctions

In the event of violation of the warm-up rules listed above, the following sanctions will be imposed by NRHA Germany:

The steward or Showmanagement can issue verbal warnings which, depending on the extent of NRHA approved shows, are also reported to the NRHA USA. In the case of gross violations, an immediate exclusion from the show grounds can also be pronounced.

In the case of violations of the rules for warm-up, the provisions laid down under IV. Disciplinary and doping regulations of the NRHA Germany Handbook apply in their entirety with the exception of §3Doping.

NRHA approved events

At NRHA (USA) approved events, the NRHA (USA) rules and guidelines apply in addition to the above rules for the warm-up of the NRHA Germany. The NRHA (USA) can impose its own penalties or sanctions in addition to the NRHA Germany according to its rules and guidelines. In individual cases, the NRHA (USA) and NRHA Germany can agree on sanctions and decide on and enforce joint penalties in the event of violations.

Controls and sanctions by the animal protection authorities

The German animal protection authorities / veterinary offices can carry out their own controls during a horse show

independently of the NRHA Germany as Showmanagement and, in the event of violations, impose their own penalties or fines that are independent of the NRHA Germany. Each participant is fully responsible for such procedures by the authorities and fully releases the NRHA Germany from all official procedures/fines and also procedures initiated by third parties. NRHA Germany will hold the affected participant harmless in such proceedings.

24. Photo/Video:

At the Breeders Futurity only accredited photographer are allowed. Every photographer has to register with the show office.
