

NRHA Germany e.V. Stallion Service Program 2024 (Breeding Season 2025) Conditions

NRHA Germany e.V. Stallion Service Program (SSP) provides to stallion owners and breeders of Reining horses the opportunity to promote their offspring and to compete in Reining events.

Eligibility NRHA Germany Breeders Futurity and Breeders Derby

SSP started in 1992 with the nomination of stallions. From SSP 2017 on, in order to enter the NRHA Germany Breeders Futurity for three and four-year olds and the NRHA Germany Breeders Derby for five to eight-year olds, all horses must be nominated into the SSP. By resolution of the NRHA Germany eV Board on September 26, 2020 the upper limit of age for the Breeders Derby has been removed. From 2021 all SSP-nominated horses five years and older are eligible for the Breeders Derby.

The nomination fee for offspring by nominated stallions is lower than the nomination fee for offspring by non-nominated stallions. The nomination fee has to be paid in full. The participation in the SSP is open to all breeds.

For complete information to enter a horse into the NRHA Germany Breeders Futurity and Breeders Derby please refer to Breeders Futurity and Breeders Derby Conditions and entry form of the respective year.
